Granville Island

Submission Details

Owing to the popularity of last year's show and our continued collaboration with Creekhouse and the CMHC at Granville Island, Revision is pleased to announce a two month long show and sale of artwork made from recycled, salvaged, scrounged or repurposed materials. This is a great opportunity to have your work displayed over two of the busiest months at this popular, high profile venue. Attendance on Granville Island in July alone averages 35,000 visitors per day.

Large scale work will be displayed in and around the boardwalks and patios of Creekhouse while smaller work will be situated in more sheltered locations. The Wearable Art Fashion Parade is tentatively scheduled for Sunday, July 22. We also anticipate setting up a Guerilla Gallery to house work we cannot display within the confines of the venue – details TBA). We encourage you to apply for all aspects of the show. Please note that works able to be displayed outdoors would be visible day and night, while indoor spaces are only viewable during store hours.

Artists will receive 95% of their sale price. A 5% commission will be retained for all sales which will be donated to a charity.
